Dear Friends of the Area Community Theatre,

It is time for us to plan the ACT program book for the year 2020. We appreciate the support that you have given the theatre in the past and respectfully ask that you would, once again, help out by purchasing an ad in the ACT program. Your support plays a vital part in enabling ACT to present five professional plays each year for over three thousand patrons. These patrons will see and read your ad while waiting for the play to begin, during intermission and often times once again when they take the program home. Our directors encourage the audience to support the businesses that support ACT.

The following are the sizes and prices for the ads. We have enclosed two copies of this contract, one for your records and one for you to return to us no later than December 1st with a copy of your ad and a check. You can repeat your ad from last year, or we can design a completely new ad for you if you include your logo or your business card with your payment.
